Career Objective

Computer Science undergraduate skilled in full-stack development, AI, and problem-solving, passionate about building scalable solutions and developing impactful real-world applications through efficient technologies.

Technical Skills

Languages	:	C++, Java
Frontend	:	React.js, HTML, CSS, Javascript, Bootstrap
Backend	:	Node.js, Express.js, RESTful APIs
Databases	:	MongoDB, MySQL
Machine Learning	:	Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn, RAG
Developer Tools	:	Git, GitHub, VS Code, Jupyter Notebook, Postman, Figma, FAISS, FFmpeg
Concepts	:	OOPs, Data Structures, DBMS, Networking, Responsive Design

Experience

Infosys Springboard Virtual Internship 6.0

[View Certification](#)

- Built an AI-enabled network intrusion detection system using machine learning and data preprocessing techniques to detect malicious traffic patterns, analyze network behavior, and improve cybersecurity threat detection accuracy.

Projects

SummarIV | Python, FAISS, Whisper, BLIP, SBERT, FLAN-T5, FastAPI, FFmpeg, RAG

[Project Link](#)

- Built a multimodal AI-powered video QA system using speech recognition, visual reasoning, and RAG retrieval to answer questions from videos with timestamped evidence clips, achieving 0.834 answer relevance on EDU-VSUM.

Resource Sharing Platform | React.js, Node.js, Express.js, MongoDB

[Project Link](#)

- Developed a collaborative resource-sharing platform where users can upload, search, save, and manage study materials using tag-based retrieval, personalized dashboards, and real-time analytics.

Task Manager | C++, STL (Priority Queue, String, Fstream)

[Project Link](#)

- Designed a priority-based task management system with scheduling and persistent storage features to streamline task organization and improve productivity.

Education

Bachelor of Technology in Computer Science and Engineering

2022 – Present

Prasad V. Potluri Siddhartha Institute of Technology (CGPA: 8.95)

Intermediate (MPC)

2020 – 2022

SR Junior College (Percentage: 90.9%)

Secondary Education

2020

Ravindra Bharathi Public School (Percentage: 98%)

Achievements

- Secured a perfect 10 SGPA during the first year of B.Tech in Computer Science and Engineering.
- Achieved 1600+ rating on LeetCode and 1300+ rating on CodeChef through consistent competitive programming.

Co-curricular Activities

- Core Team Member**, Google Developer Student Club (2023 – 2024)
- Managing & Organizing Domain Master**, Google Developer Groups (2024 - 2025)
